IN MEMORIAM

DONNA I. STEVENS

This is the Comfort of Friends, that though they may be said to die, their Friendship and Society are, in the best sense, ever present because they are Immortal.

William Penn

This page is a tribute to Donna from the Football Players.

Our theme is taken
from Henry W. Longfellow's poem

"THE BUILDERS"

All are architects of Fate,

Working in these walls of Time;

Some with massive deeds and great,

Some with oranaments of rhyme.

*Nothing useless is, or low:
Each thing in its place is best:*

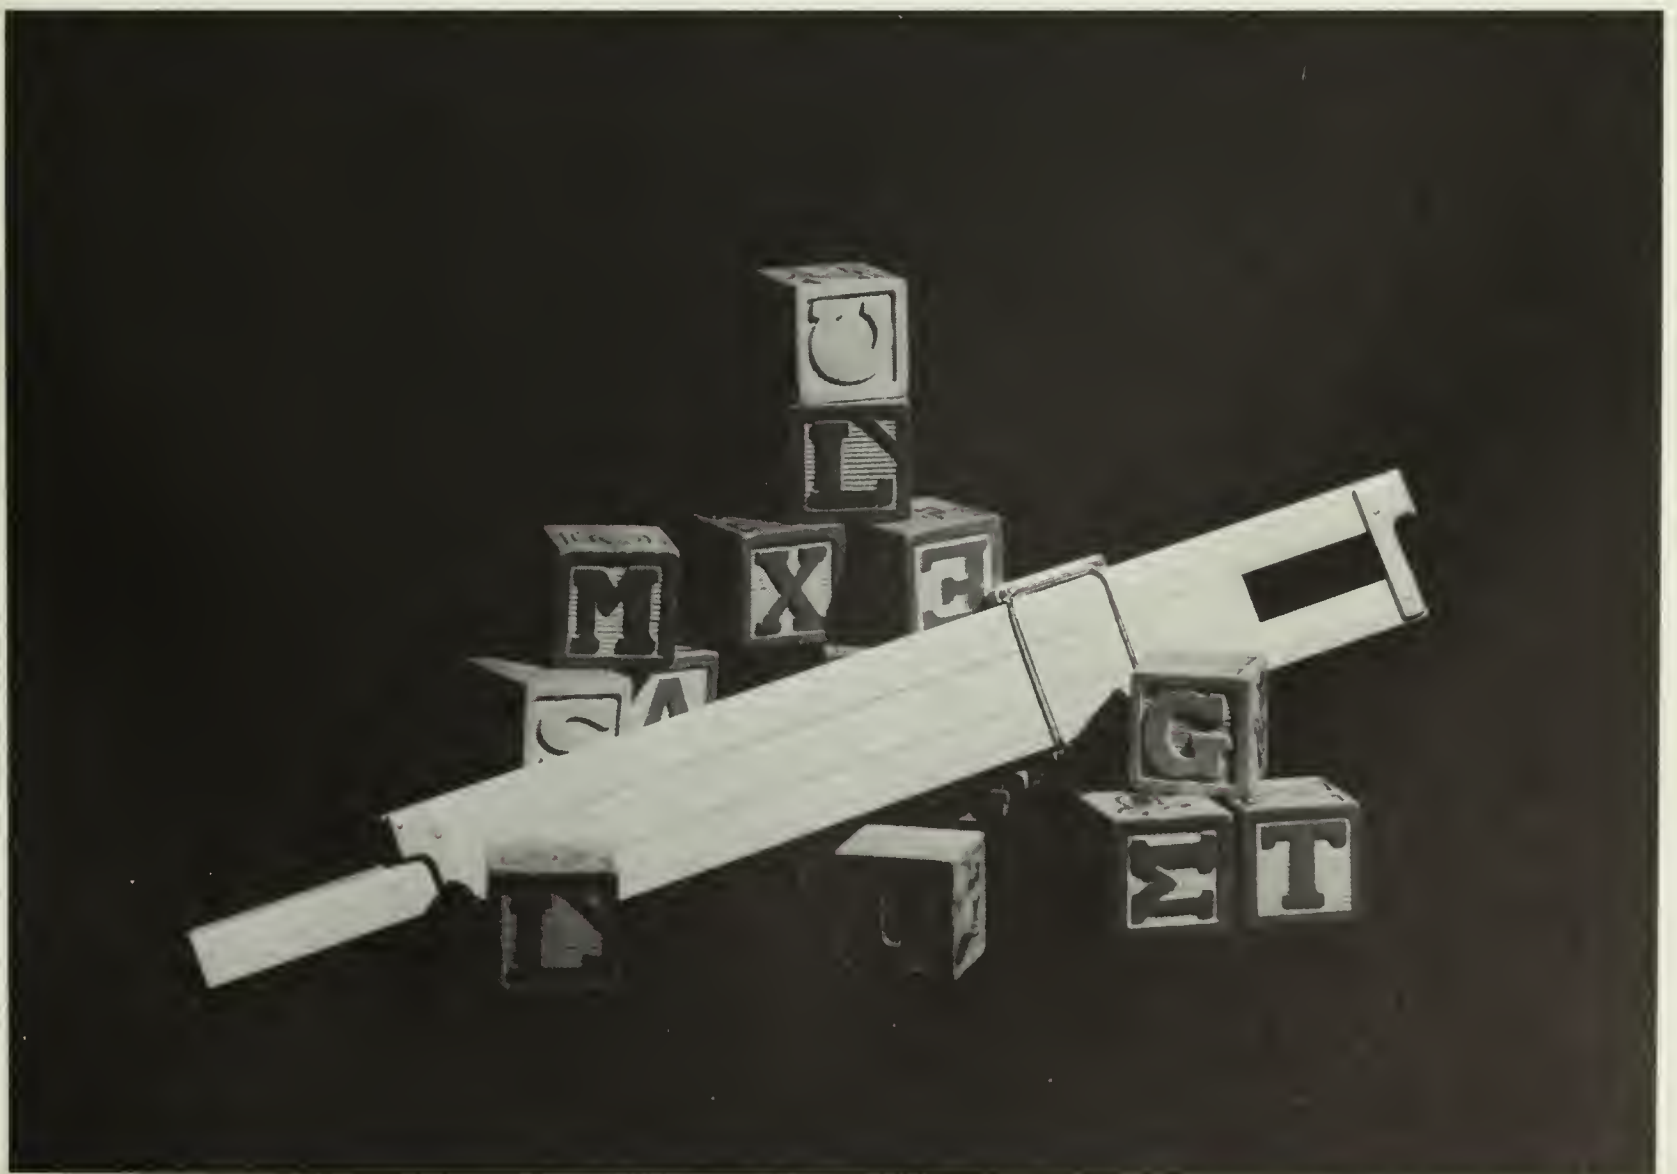

*And what seems but idle show
Strengthens and supports the rest.*

*For the structure that we raise,
Time is with materials filled:*

*Our todays and yesterdays
Are the blocks with which we build.*

ALL ARE ARCHITECTS OF FATE

Great! That is the word for the Quincy High Football Team of 1964. The team finished the season with 7 wins, 1 loss, and 1 tie. In Coach Conroy's first year as Head Coach, he may have produced one of the best squads in the school's history. The team's only loss came at the hands of a strong Everett club, but even in defeat, the Presidents looked like champs. In this game Quincy was down by two touchdowns in the fourth quarter. The spirited Quincy club came back and scored twice but were stopped on what would have been the game winning two-point conversion.

In the annual Thanksgiving Day game Quincy was victorious over city rival North Quincy. This game saw 13,000 people jam Veteran's Memorial Stadium to view the battle.

Co-Captain Larry Kelcourse, Coach Conroy, Co-Captain Dan Raymondi.

Some advice from the coach

Row 1: J. McWilliam, K. Mullin, M. Triger, chtr.; D. Perry, chtr.; D. Tatreau, chtr.; R. Rodophele manager.
Row 2: Asst. Coach Paiva, P. Fitzpatrick, R. Graham,

R. Adams, D. Raymondi, E. Scanlon, M. Jordan, K. MacLean, S. Berlucchi, R. Gustavsen, Coach Finnegan.

The Quincy High School basketball team finished with thirteen wins and seven losses. Unfortunately, the team fell short of making the Tech Tournament by one game. Highlights of the season included exciting overtime victories at New Bedford, Chelsea and Malden and the decisive game with North Quincy which eliminated the team from the Tech Tournament.

Senior Co-captain Jack McWilliam was the team's playmaker at a guard position. The other guard position was occupied by sharpshooting Ed Scanlon. Bob Gustavsen's shooting and rebounding ability helped during the entire season. At center, senior Co-captain Kevin Mullin played exceptionally well covering opponents usually five inches taller than he. Juniors Steve Berlucchi, Jim Rendle, Mike Jordan and Paul Fitzpatrick received valuable experience which should serve the team well next year. Though the hoopsters often worked under disadvantages, they were still able to provide Quincy High School with an exciting basketball season.

HOCKEY

The Quincy High School Hockey team suffered one of its most disappointing seasons in recent years, finishing with four wins, nine losses, and one tie. There were some high spots in the season, though, as the Presidents defeated North Quincy twice, 7-1 and 7-4. Quincy also retained its dominance over Everett's Hockey team, by defeating it twice. Everett has yet to defeat Quincy in league play. If the Hockey program is pushed in the Junior Highs, there is no doubt that Coach Hutchinson will have Tourney teams in the future.

The Quincy High Baseball Team had a successful season in '64, finishing with 9 wins against 8 losses. The big story on the team was Larry Marotta. Larry won 5 games and lost 3, while striking out 100 batters and walking only 23 in $69\frac{2}{3}$ innings.

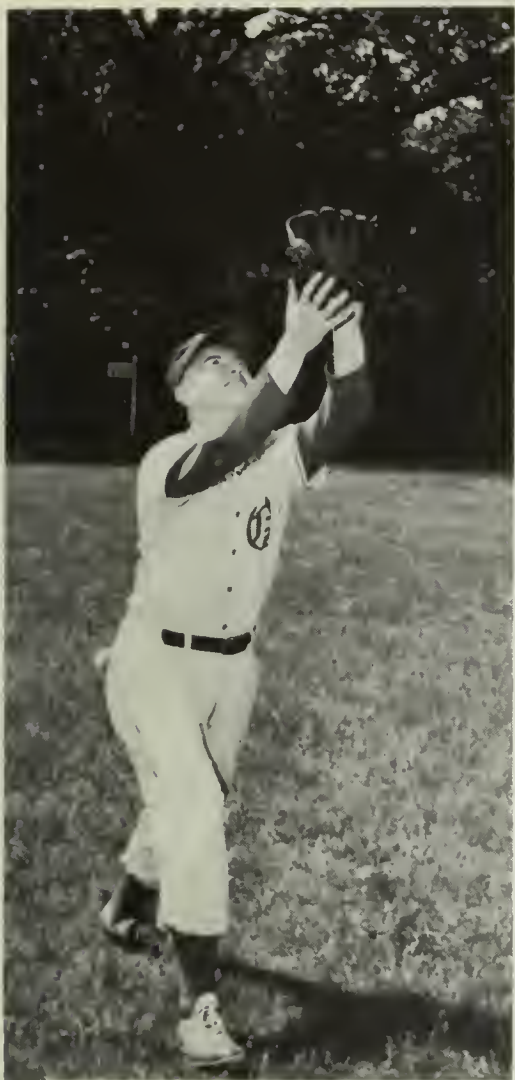

Rounding out the pitching situation this year were Paul Paluzzi and Tom Malvesti. With Dan Raymondi in the outfield was Jack McWilliam, a solid fielder. Bob Gustavsen and Jerry Lyons made up the double play combo, with Gustavsen at shortstop and Lyons at 2nd base.

WINTER TRACK

The Quincy High Track Team finished the season with three wins, three losses, and one tie. Coach Kehoe was in a building year with sophomores and juniors providing much of the action. Sophomores Chuck Jones and Norm Bower and junior Pete Kolson all participated in the shotput. The big story, however, came from senior Dick Bigelow. While competing in the B.A.A. Meet, Dick set a school record of 6.0 seconds in the 45 yd. high hurdles. In the state meet, Dick tied for first place in the high jump while setting another school record of 6'2". Dick was the only New England trackman qualified for the Nationals at New York's Madison Square Garden in two events—high jump and high hurdles. Because of an injury Dick was unable to attend.

TENNIS

The Quincy High Tennis Team finished its 1964 season with 13 wins and 1 loss. The only loss coming at the hands of New England Finalists, Hingham. Mr. Mitchell is very optimistic about this Spring's team. Within its ability and spirit, the team has an excellent chance of winning the South Shore League crown. The team could then qualify for the Eastern Mass. State Championships.

If successful there, the boys hope to be invited to the New England Interscholastics.

This Spring's team will include Steve Goldman, Buzz Gillis, Dave Lubarsky, John Erickson, and John Sullivan. With many of the boys already recognized as outstanding players, in the New England area, the team should be one of the best ever.

SPRING TRACK

"Go Ross go"

The Quincy High Spring Track Team had one of its most successful seasons last spring, finishing with six wins and one loss. Pictured are the seniors whom Coach Kehoe will be counting on in '65. Dick Bigelow, the only three-year letterman, competes in the high hurdles. Ross Harrison and Bill Gilcoine, members of the record-setting two-mile relay team, run the "880." Tom O'Connor is the hopeful in the pole vault this year, and Jim Rose will be Quincy's mainstay in the discus.

What's the Company like anyway? Would I be proud to work there? Reputation for square dealing with employees? Pleasant surroundings?

Will I be working with others my own age? Are they friendly? Do they socialize after hours?

Will the boss be reasonable? Appreciate good, hard work, but won't explode if I make a mistake?

Will I make a decent week's pay? Have a chance for raises, advancement, more responsibility? How about fringe benefits?

Is the work challenging? I had what it takes to get through high school. Will they give me a chance to use my brains?

Note: Many young men and women in this area can answer "Yes" to these questions. They work for New England Telephone Company . . . New England's largest employer.
